nLITE® PowerPad
A NEW ERA FOR PURE WATER CLEANING

NEW!

Quality Tools for Smart Cleaning

THE NEW nLITE® PowerPad – PURE WATER FOR SENSATIONALLY FAST, EFFECTIVE AND EASY CLEANING.

A new era is dawning for pure water cleaning. Once again, market leaders **UNGER** have come up with a groundbreaking innovation – the new **nLITE® PowerPad**, the ultimate alternative to brushes when cleaning large ground floor glass surfaces.

This outstanding cleaning tool is intuitive to use thanks to its intelligent and revolutionary design. It makes cleaning with pure water noticeably faster, easier and more effective.

The perfect tool for all experienced pure water professionals as well as those who are discovering **UNGER**'s pure water technology for the first time!

FULLY COMPATIBLE

Suitable for all **nLITE®** and
OptiLoc pole systems from
UNGER

NEW!

360° SWIVEL

- Innovative **360° swivel function** for permanent contact on the glass
- Can be locked in **7 working positions** for every type of use

RINSE BAR

Special **rinse bar** for powerful, uniform rinsing of the pad and glass over the entire width

MICROFIBRE CLEANING PAD

- **Larger contact area** on the glass – faster and more effective than any brush
- **Self-cleaning effect:** prevents dirt from building up through permanent rinsing with pure water
- **Highly effective microfibre technology** for streak-free cleaning

THE NEW nLITE® PowerPad – PERFECT CLEANING RESULTS IN AN INSTANT!

The new nLITE® PowerPad from **UNGER** has two technological highlights which revolutionise the pure water cleaning of large ground floor glass surfaces.

1

THE INNOVATIVE MICROFIBRE CLEANING PAD

- **Faster dirt removal**, as the microfibre cleaning pad has a **larger contact area** with the surface of the glass than a conventional brush with bristles
- **Self-cleaning effect** thanks to permanent pure water rinsing via the integrated Rinse Bar
- **Highly effective microfibre technology** for streak-free cleaning
- **Glides easily** over glass surfaces

2

THE NEW nLITE® PowerPad HAS A 360° SWIVEL FEATURE

- **360° movement** up and down as well as left and right
- **Permanent contact** with the glass surface – even when working laterally
- **Easy and intuitive** manual tool – with S-shaped movements as with classic glass cleaning

NEW!

Perfect results in an instant!

The new **nLITE® PowerPad** is easy and intuitive to use.

The sequence of movements is almost identical to that of classic window cleaning, meaning users achieve perfect cleaning results instantly without training time!

More advantages: The new **PowerPad** is fully compatible with all **nLITE®** and **OptiLoc** telescopic poles from **UNGER**, offering great on-site flexibility!

FULLY COMPATIBLE WITH ALL
OptiLoc POLES

FULLY COMPATIBLE WITH ALL
nLITE® POLES
